

## NEW EVENT!! HIPPOLOGY and HORSE TRIVIA TEAM CONTEST

Local horse friends! Something fun, horsey, and WARM to do this winter! GVRDC is hosting its first annual Hippology Contest Series, organized by Kim McGann and Pat Moran.

Hippology is the study of horses, and this trivia series will reflect the diversity of ways that horses and humans interact. Topics may include: horse anatomy, health, and management, conformation, equestrian sports (all of them!!), famous horses and riders—in real life and in literature, and local (Western New York) horse knowledge and lore.

Teams that have a variety of expertise will fare the best! Minimum Team size is 2 and Maximum is 8. Singles will be place on a mutually acceptable Team.

Each contest will include a combination of short answer, multiple choice, image/item identification, and/or hands activities.

The series will run over three nights- you can participate in just one, or register for all three to be eligible for the title of Hippology Grand Champion (complete with bragging rights and a special prize!)
